PRODUCT INFORMATION SHEET

Machine Dishwash Powder – All in One

CODE NO: 512

DESCRIPTION

Machine Dishwashing Powder- ALL IN ONE is low-foaming powder with built-in DESCALER & RINSE AID intended for heavy duty mechanical washing. It can be used for utensil and dishwashing machines and is highly effective in removing soils and stains from stainless steel and glassware. Its Oxygen based bleach enables to use this product as a SOAKER as well.

Machine Dishwashing Powder – ALL IN ONE as the name suggests, can be used as Dishwashing Powder without the need to use extra Rinse Aid also acting as a sanitiser at a low temperature ranging from 20°C upwards. It ensures excellent performance and eliminates the possibility of scale formation within the washing machine.

BENEFITS

- Non foaming
