LIGHTWEIGHT COMFORT

CERTIFIED TO:  
Standard AS 2210.3:2019  
ASTM F2413 - 18 including SD  
(Clause 5.7)

Created for women, the slip-on design of the #886 provides easy on, easy off convenience. Water-resistant leather and a composite toe cap provide extra protection.

- Black water-resistant leather slip on safety shoe with padded collar and tongue
- Lightweight, comfort fit designed specifically for women
- Breathable, moisture wicking lining
- Neoprene panel for reduced foot stress
- Removable PU foam footbed with XRD® Extreme Impact Protection heel insert for greater shock absorption and comfort
- Anti-bacterial, washable and breathable footbed
- XRD® inserted into the forepart of the innersole
- Rubber outsole has a high coefficient of friction for increased grip/slip resistance and durability
  - fuel oil resistant
  - heat resistant to 140°C
- TPU toe guard and heel torsional stabiliser
- Ergonomically engineered toe spring for reduced wearer fatigue
- Nylon shank—ensures correct step flex point and assists with torsional stability
- Airport friendly
- **Broad fitting 200 joule impact resistant composite toe cap**  
However, if your feet are exposed to the risk of repetitive impacts, penetration or cutting hazards or electrical hazards, then we recommend that you consider one of our steel safety toe boots as they may be more suited to your needs
