

GWORX601

The Certified Splitback Rigger

LEATHER

Features

- ▲ **Premium Cowhides:** Crafted from select cowhides for a soft, supple finish.
- ▲ **Wing Thumb & Stitch-Free Palm:** For increased durability and enhanced dexterity.
- ▲ **Double-Stitched:** In high-wear areas for extended longevity.
- ▲ **Perfect Fit:** Designed with a gathered elastic strip at the back of the wrist for optimal fitment.
- ▲ **Chemical-Free:** Ensures wearer peace of mind through a production process free from harmful chemicals.
- ▲ **Colour Code Cuff:** Facilitates easy size identification for enhanced convenience.
- ▲ **Fast Fit Cuff:** For hassle-free fitment.
- ▲ **UPF50+:** Maximum sun protection.

Standards & Certification

Force360 recognise that without product certification by a Notified Body all product performance testing, and adherence to standards claims cannot be independently verified. If they are not as claimed, serious safety implications for the wearer, and legal implications for the supplier and even the employer may arise. Force360 source their entire range of Synthetic hand protection from a single manufacturing partner to ensure consistency and reliability of product, but most importantly Force360 have taken the further step of engaging a globally recognised Notified Body to audit and certify both the manufacturing process and the products. All of Force360's hand protection is certified to the latest AS/NZS hand protection standards.
